**Responses to Questions**

*We were wondering if there are any forms that you would like us to use in submitting our response. Additionally, we were curious as to whether you are interested in attorney biographies.*

All documents relevant to this RFQ are available on our website: [www.renewnyc.org](http://www.renewnyc.org). Please follow the substance specified in the RFQ. There is no specific form, other than Attachment 1, which is the Standard Business Background Questionnaire (please be aware that postings for this RFQ on our website prior to today, November 21, 2003, may have contained additional attachments that were incorrectly linked to this RFQ).

Your proposal submissions must contain attorney resumes (see Section III.A.3 of the RFQ). These resumes, whether in full page or paragraph format, will be included in the 10-page limit.
