## **I. GENERAL INFORMATION**

### **A. Mission and Structure of the Lower Manhattan Development Corporation**

The Lower Manhattan Development Corporation (“LMDC”) was established in late 2001 to develop and revitalize Lower Manhattan in the aftermath of the September 11, 2001 terrorist attacks. LMDC defines Lower Manhattan to mean all areas in Manhattan south of Houston Street.

LMDC is a subsidiary of the New York State Urban Development Corporation, doing business as Empire State Development Corporation (“ESDC”), a political subdivision and public benefit corporation of the State of New York, created by Chapter 24 of the Laws of New York, 1968, as amended. LMDC is governed by a 16-member Board of Directors, of which half was nominated by the Governor of the State of New York and half by the Mayor of the City of New York.

LMDC is funded by federal appropriations administered by the United States Department of Housing and Urban Development (“HUD”) through its Community Development Block Grant (“CDBG”) program. To date, approximately \$2 billion has been allocated to LMDC and another \$783 million is anticipated through a second grant. (See Defense Appropriations Act of 2002, Public Law 107-117 and Supplemental Appropriations Act of 2002 for Further Recovery from and Response to Terrorist Attacks on the United States, Public Law 107-206).

### **B. Overview of Services Requested and the Submission Process**

In fulfilling its responsibility of planning for the development and revitalization of Lower Manhattan, LMDC will need to obtain the services of one or more firms who generally provide urban planning services. LMDC seeks to create a pool of qualified firms from which it may select one or more firms to provide such services in the future. Firms interested in submitting a statement of qualifications to provide such services are required to follow the recommended guidelines and instructions contained in this Request for Qualifications (“RFQ”). In the event it becomes necessary to revise any part of this RFQ, revisions will be provided by addenda posted on the LMDC web site: <http://www.renewnyc.com>.

Statements of Qualification should provide a straightforward, complete and concise description of the firm’s capabilities and qualifications to provide urban planning services to the LMDC. Please prepare six (6) copies of your statement of qualifications and work samples. Each copy of the statement of qualifications should be bound in a single volume and include any documentation you may wish to submit.

Any firm submitting a statement of qualifications in response to this RFQ may be required to give an oral presentation of their qualifications to LMDC. This oral presentation may provide an opportunity for the firms to clarify or elaborate on their qualifications but will in no way change the original submission. Engagement staff should be present at the oral presentation.

LMDC's request for an oral presentation shall not constitute retention of the firm for future services.

Statements of qualifications must be received no later than **5:00 PM EST, June 11 2008**. Deliver all statements of qualifications to:

RFP/RFQ PROCESSOR  
Lower Manhattan Development Corporation  
One Liberty Plaza, 20<sup>th</sup> Floor  
New York, NY 10006  
Attn: URBAN PLANNING SERVICES RFQ

LMDC may reject any or all statements of qualifications submitted if such election is deemed to be in the best interest of LMDC. LMDC assumes no obligation, no responsibility and no liability for costs incurred by the responding firms prior to the issuance of a contract.

The current schedule for this effort is as follows:

- *May 19, 2008* – RFQ Issued
- *June 11, 2008* – Responses Due
- *Week of June 16, 2008* – Oral Presentations Conducted, if necessary
- *June 2008* – Qualified Firm(s) Selected

Subject to annual review and approval by the LMDC Board of Directors, the selected firm(s) will be retained for three years.

## **II. ANTICIPATED SCOPE OF SERVICES**

LMDC seeks one or more firms to assist LMDC in its planning, development and revitalization work in Lower Manhattan outside of the World Trade Center site. Specifically, LMDC would like to create a pool of firms that it deems qualified from which it can draw on to obtain urban planning services in the future on an as-needed basis. Selected firms may work on one or multiple large, small, and as yet to be determined projects in Lower Manhattan. A firm's selection into this pool does not necessarily guarantee actual engagement of such firm for the proposed services. An additional selection process will occur within the selected pool of firms once projects are better determined.

LMDC requests statements of qualifications for one or more firms to provide services to LMDC in the future, as requested, which will include, but will not be limited to the services identified below.

### III. SUBMISSION REQUIREMENTS

Please letter your responses exactly as the questions are presented herein, and limit to twelve (12) one-sided pages, except work samples, which must be included in a separate, bound appendix. LMDC has no preference that all services be provided by the same firm and firms may choose to submit qualifications to provide less than all of the anticipated scope of services. It is the policy of the State of New York, ESDC, and LMDC to comply with all federal, state and local laws, policies, orders, rules and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, sexual orientation, age, disability or marital status, and to take affirmative action in working with contracting parties to ensure that Minority and Women-owned Business Enterprises (“M/WBEs”), Minority Group Members and women share in the economic opportunities generated by LMDC’s participation in projects or initiatives, and/or the use of LMDC funds. LMDC has established a 20% M/WBE participation goal for the entire redevelopment project. The selected firm shall be required to use its best efforts to provide for the meaningful participation of United States M/WBEs, Minority Group Members and women in the execution of this contract. A copy of each responding firm’s equal employment opportunity policy statement, Attachment 1 relating to the anticipated workforce to be utilized on the contract and Attachment 2 relating to the anticipated participation as subcontractors of M/WBEs, shall be included as part of the response to the RFQ.
